# It's Not Always Black and White.

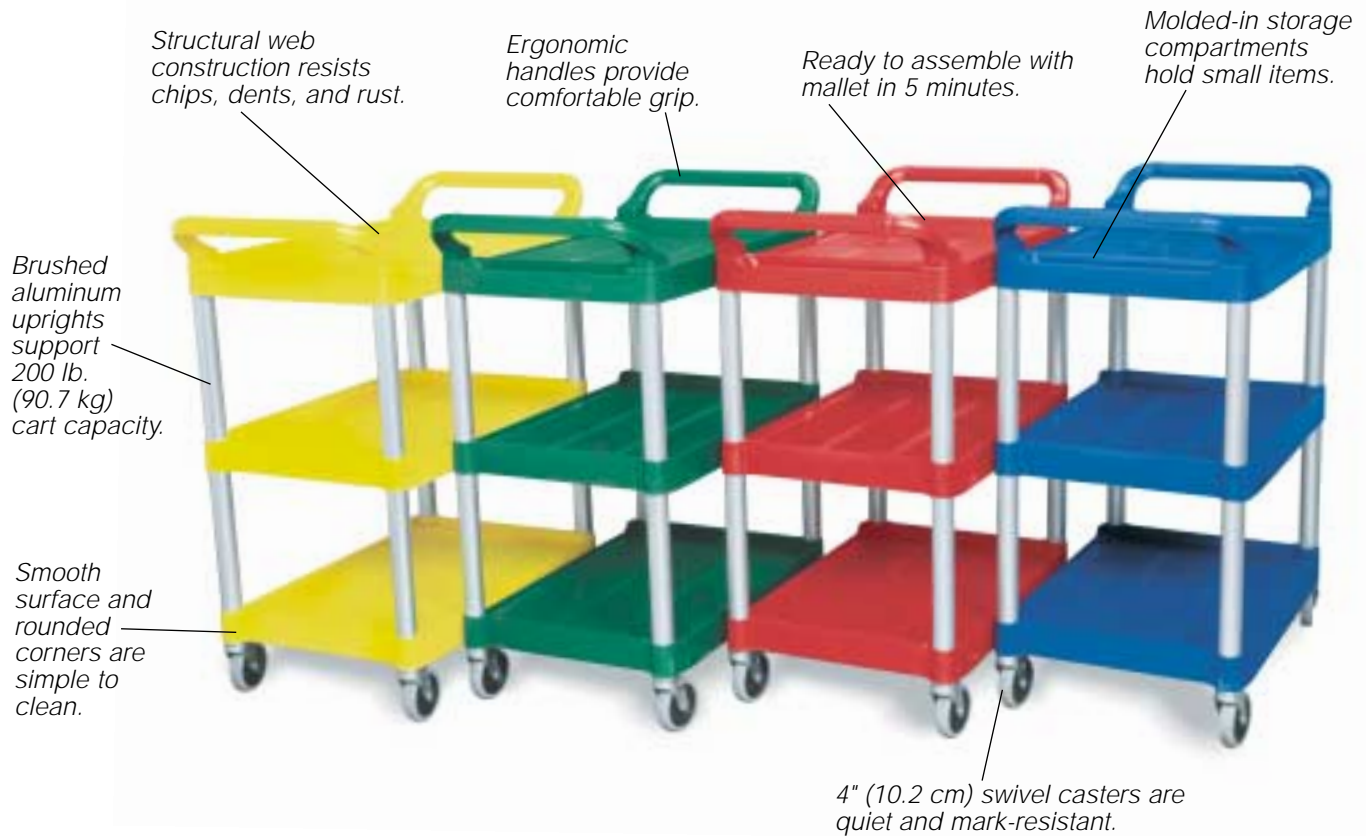

Or neutral. For years, functional, durable Rubbermaid® Carts have come in visually pleasing classic colors that blend with conservative commercial and industrial environments.

But times are changing. Businesses are assuming new and unique personalities, and Rubbermaid is fresh on the scene with versatile carts in dashing primary colors that will enliven upbeat, trendy environments. Our smart, energetic carts in red, green, yellow, and blue are essential in childcare facilities, schools, chic salons, and pool areas.

Under those vivid new colors you'll find the same quality that we've always offered. These charming, eye-catching

carts are lightweight and can transport up to 200 lbs. (90.7 kg). They have ergonomic, easy-grip handles and quiet, mark-resistant casters for gentle maneuvering. They're rust, chip, and dent resistant, so they're perfect for indoor and outdoor use. Smooth surfaces and rounded corners are safe, simple to clean, and lend a modish appearance. Molded-in storage compartments hold small items, and Refuse and Utility Bins attach easily for additional storage and organization.

Bright, lively atmospheres – colorful, dependable carts. Leave it to Rubbermaid to make transporting fun.
