

Glutton® Recycling Containers/Tops

Now for your highest volume collection requirements, Rubbermaid® introduces the Glutton® Recycling Containers and Tops, available in Paper as well as Bottle & Can versions. Side-mounted openings provide convenient two-way access along with clear communication from a distance of your recycling message. Molded-in UV inhibitors plus a design that protects contents from rain and snow make the Glutton® Recycling Containers and Tops ideal for outdoor use. Glutton® Hold-Down Base can be used for added stability and security if needed.

The Glutton® base may be used with the 42-gallon Glutton® Rigid Liner. Or the base will accept two 23-gallon Slim Jim® Containers for source separation of two materials, such as plastic and aluminum.

Glutton® base will accept two 3540 Slim Jim® Containers.

Front and back openings provide convenient two-way access to the Glutton® Recycling Container.

56 U.S. gallon (212 L) capacity for high volume applications.

Openings on front and back of container provide convenient access.

Side view refuse openings help reinforce your recycling message.

Heavy-duty plastic construction with molded-in color and UV inhibitors. Resists dents and fading. Will not rust.
