

Problem.

Conventional metal and plastic lobby dust pans can give poor appearance and performance.

Optional Handle Grip with thumb rest helps improve leverage, comfort and control. Spare gloves store inside the handle.

Solution.

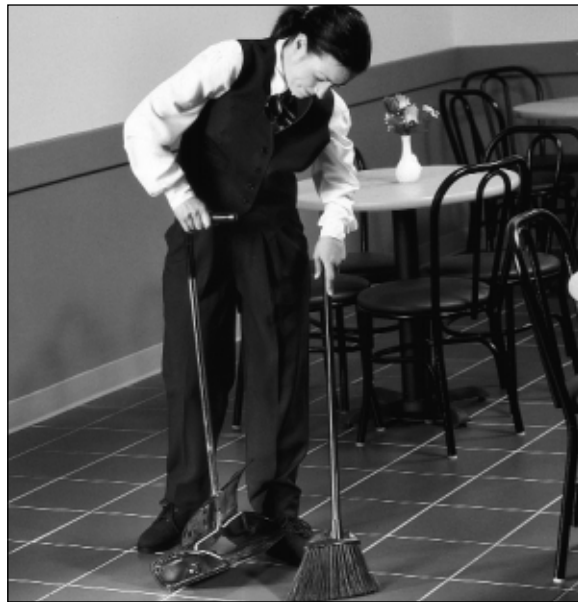

Modernize your cleaning tasks with the Rubbermaid® Lobby Pro™ Upright Dust Pan System.

You've contended with the noisy, awkward performance and poor durability of conventional metal and plastic lobby dust pans. You've never had any other choice – until now.

Introducing the Rubbermaid® Lobby Pro™ Upright Dust Pan System, representing a major product redesign with stylized appearance and a range of innovative features for improved handling, performance and durability. It's the modern solution to all of the problems you've faced in the past with ordinary dust pans.

Contact with abrasive surfaces during normal use wears down metal and plastic surfaces, which can result in corrosion, holes that can leak and sharp edges that can cause injury.

"One-size-fits-all" design of conventional dust pans can be awkward and inefficient to operate by users of smaller stature.

Improvised wire hangers are unreliable and look unprofessional.

Reinforced for durability.

Strategically placed wheels and wear pads help provide greater ease of use and reduce wear for extended product life. Built-in handle assists emptying without touching a dirty and potentially contaminated bottom of the dust pan.

Adjustable height.

The Deluxe Lobby Pro™ Upright Dust Pan features a standard Handle Grip, which let users make height and 360°-radial adjustments to fit their individual size.

Self-operating cover.

Self-opening, self-closing plastic cover on Model 2532 and Deluxe Model 2533 conceals dirt and debris.

Systematic transport and storage.

Attach the Rubbermaid® Lobby Pro™ Upright Dust Pan and Broom to any Rubbermaid® Brute® container or cleaning cart using the innovative hanger bracket. Also, a built-in plastic slot allows for hanging on any standard hook.

Introducing the next evolution in dust pan design – Lobby Pro™ Upright Dust Pan System.

Lobby Pro™ Upright Dust Pan System

Item No.	Description	Dimensions	Color	Pack
2531	Lobby Pro™ Upright Dust Pan	12-3/4" l x 11-1/4" w x 5" h (32.4 cm x 28.6 cm x 12.7 cm)	Black	6
