

Plaza™ Recycling Containers

Now Rubbermaid® helps advance your recycling program to the next level with the Plaza™ Recycling Containers. Available in Paper and Bottle & Can versions, the Plaza™ Recycling Container is ideal for high volume collection needs both indoors and outdoors. Side-mounted openings on the container's front and back provide convenient two-way access as well as clear communication of the material to be recycled. In outdoor applications, the side openings help protect contents from rain and snow. Indoors, the lock-latch feature helps secure disposal of confidential papers such as medical records and financial information.

Present a consistent, upscale image throughout your operation with the Plaza™ Container, Plaza™ Container with Ashtray, Plaza™ Container with Tray Top and now Plaza™ Recycling Containers, from Rubbermaid!

Large capacity Plaza™ Container is ideal for areas with heavy pedestrian traffic.

Plaza™ Paper Recycling Container can be used for confidential document disposal.

50 U.S. gallon (189.3 L) capacity with polyliner #5016-88; also accepts the 35 U.S. gallon (132.5 L) Rigid Liner #3958, sold separately.

Openings on front and back of container help communicate recycling message: a slot for paper, a hole for bottles/cans.

Lock-latch feature can be used with or without its key.

Heavy-duty plastic construction with molded-in color and UV inhibitors. Resists dents and fading. Will not rust.

Full-size, side-mounted door eases servicing. Stainless steel hinge provides reliable, durable performance.

Container base accommodates tie-downs for secure placement.

Textured finish helps hide surface scratches.
